

2027 Tuition Fee Schedule – Domestic Students

This 2027 Tuition Fee Schedule is effective from 1 January 2027 and replaces all Schedules previously issued:

- Tuition Fees are reviewed annually and can increase from year to year.
- The actual cost of study in any term cannot be determined until you enrol.
- Once enrolled, you will be able to view your account online in MyCQU and generate a Fee Notice.
- The Fee Notice will detail the tuition fee charged for each unit enrolment and any payments, discounts or other credits allocated to pay/part pay those fees.

NOTE: Account details and Fee Notices are not available until fees have been calculated.

- Fees are usually calculated in December [research candidates], January [Be Different, ELICOS, GC Research] and February [all other students] then calculate on enrolment after that.

Tuition Fees for each unit of study are calculated per credit point. Except where otherwise indicated, examples of “Fee per Unit” in the Schedule assume a standard unit of **6 credit points**. Individual units may, however, have a credit point value different to the standard value – please check the [CQUni Handbook](#) for information on credit points for each unit.

CQUniversity policies relevant to the payment of fees include the *Collections Policy and Procedure* and the *Student Refund and Credit Balance Policy and Procedure*. All University policies can be accessed at <https://www.cqu.edu.au/policy>.

Students are advised to check the [2027 Academic Calendar of Principal Dates](#) in the **CQUni Handbook** each term for information about the last date to withdraw without financial liability. **NOTE:** Census dates for withdrawal without financial liability apply to ALL STUDENTS (international and domestic) **EXCEPT** those in research higher degrees*.

***IMPORTANT:** Research study is time-based, not credit based. Students consume eftsl in funded places and are charged tuition fees if not in a funded place for each day they are enrolled. Withdrawing from a unit or course prior to census date does not remove any financial liability incurred prior to withdrawal nor recredit any funded eftsl.

NOTE: Students in courses with a monthly intake, e.g. CL58 GC Research, or those on the Be Different platform, will have different census dates to the standard Terms 1, 2 & 3 – students should refer to their Fee Notice or course web site for the due (census) date in this case. Alternatively, check the [2027 Academic Calendar – Be Different Students](#).

Information about **Fees** and **Fee Notices** can be found in the [MyCQU Student portal](#).
